A receipt shall be mailed to the applicant within ten (10) business days of submission of a complete application to the Sheriff. A renewal application shall be subject to the same requirement in these regulations for a permit application.

2.2 Grounds for denial, revocation, or suspension

(a) Any violation of this regulation or failure to meet all requirements of this regulation, if applicable, will be a ground for denial, revocation, or suspension of a permit to operate a game room. The notice shall set out the reasons for the action. The revocation shall become final on the fifth (5th) day after issuance of notice.

(b) The enterprise or its designated agent shall have the opportunity to appear before a hearing examiner appointed by the Commissioners Court upon written request submitted to the Sheriff within ten (10) business days of delivery of the notice of revocation. The hearing examiner shall not have participated in any investigation of the alleged grounds for the revocation. The hearing shall be held within fourteen (14) business days of the request for hearing and the enterprise and the Sheriff shall be provided an opportunity to present evidence, cross-examine witnesses and be represented by legal counsel. The rules of civil evidence for a non-jury trial shall apply.

(c) Upon finding that the facts presented at the hearing support a finding that grounds exists for revoking or suspending the game room permit, the hearing examiner may request that the parties present relevant evidence to show whether suspension or revocation of the game room permit is more appropriate. Reasonable conditions may be attached to a game room permit by the hearing examiner based on the evidence presented at the hearing.

(d) If the hearing examiner determines that a game room permit should be revoked, the hearing examiner shall issue a written order revoking the game room permit, effective immediately.

(e) If the hearing examiner determines, based upon the nature of the violations, that a suspension in lieu of revocation is appropriate, operation of the game room permit may be suspended for a period not to exceed six (6) months. The hearing examiner shall issue a written order suspending the game room permit and attaching conditions, if applicable, effective upon notice to the owner.

(f) Upon the finding that subsection 2.2(c) (3), 2.2(c) (4), or 2.2(c) (5) of these regulations has been violated, revocation of the game room permit shall be mandatory.

(1) there is a necessity for immediate action to protect the public from injury or imminent danger;
or

(2) a game room permit was issued based on a misrepresentation in the application and but for the misrepresentation, the game room permit would not have been issued.

2.5 Hearings

(a) A request for hearing must be in writing and delivered to the game room permit administrator within twenty days of the denial, revocation, or suspension. The applicant waives the right to hearing if the request is not timely received by the administrator.

(b) The applicant may re-apply for a game room permit if changes are made to bring the proposed game room into compliance with this regulation.

(c) The decision of the hearing officer shall be final.

(1) On final decision of the hearing examiner, the losing party may appeal the decision by filing a petition in a district court in the county within 30 days after the date of the decision.

2.7 Permit fee—Payment; receipt constitutes permit

The permit fees provided for in subsection 2.6 of this Code shall be paid to the Sheriff. When the application process is complete, the Sheriff shall give the applicant a signed receipt. The receipt constitutes a permit to operate the game room for one year from the date the permit is issued.
